WHY ITSELECT?

SENIOR L3-L4 ENGINEERS
Experienced professionals for complex infrastructure and security projects.

VENDOR-NEUTRAL EXPERTISE
Recommendations based on your requirements—not vendor incentives.

FLEXIBLE HOURLY ENGAGEMENTS
Purchase only the engineering hours you need.

REMOTE OR ON-SITE SUPPORT
Engineering resources available wherever your project requires.

MULTI-VENDOR SPECIALISTS
Deep expertise across leading technology platforms.

COMPETITIVE PRICING
High-value engineering at transparent rates.

PROVEN EXPERIENCE
Serving Commercial, Government, Education & Healthcare organizations.

GET HARDWARE SUPPORT AFTER THE OEM STOPS.

8x5 OR 24x7x4 ON-SITE PARTS & LABOR SLAS

FOR SERVER, NETWORK, STORAGE & HCI ENVIRONMENTS

AT 30–40% LESS THAN THE OEM.

When your hardware warranty expires, you don't have to renew support with the OEM to stay protected. With access to over 600+ field engineers & 2,700 depots in over 180 countries, ITSelect Technologies delivers the parts and on-site service you need to keep your hardware running.

EXTEND HARDWARE LIFE
Support beyond EOL & EOSL dates

FLEXIBLE SLAS
Choose from 24x7x4, next business day, or build a custom plan

PROVEN RELIABILITY
Trusted by 25,000 customers, including half of the Fortune 500™
